MEDICAL INSURANCE: Individuals are solely responsible for any medical costs, including all associated rescue, evacuation, and transportation costs. Please take time to review your medical insurance policy. Make certain that your coverage extends to the location of your trip, and that it provides coverage for any potential, associated, costs. Many policies will provide coverage for travel abroad for a small additional fee.

TRAVEL INSURANCE is HIGHLY RECOMMENDED. In many cases travel insurance will help cover medical expenses, evacuation costs, lost baggage, travel delays, and other costs in the event of cancellation of the trip. We have worked with almost every provider of travel insurance and feel strongly that the Adventure Travel Protection Plan from AIG/ Travel Guard is the best one available. It is one of the only plans that covers high altitude climbing and has significant benefits if purchased within 15 days of making your trip deposit. Further information:
